Community Needs Assessment Meetings for Cable TV Franchise

Feb. 23 and March 2, 2005 at 7:30 p.m. in the Falls Church Community Center

FALLS CHURCH, VA. – City residents and businesses are invited to two upcoming public meetings for the City to assess community needs as they relate to services Verizon could provide as part of their application for a cable TV franchise agreement in the City. Specifically, these needs focus on public, educational and government (PEG) uses of the cable TV operator's system.

In addition to discussions with City and Public School personnel, the City seeks input from its residents and businesses at these two open meetings to be held at 7:30 p.m. on Wednesday, February 23 and Wednesday, March 2, 2005 in the Teen Center at Falls Church Community Center (223 Little Falls St.).

At each meeting, the City's technology consultant will provide a brief overview of the needs assessment process followed by a question, answer, and comment period.

For more information about the public meetings, please contact the City's Office of Communications at 703-248-5003 or via e-mail at publicinfo@ci.falls-church.va.us.
